## DESCRIPTION

*The MG24 is a lightweight and durable marine gangway ramp designed for safe and easy boarding on boats and yachts. Built from seawater-resistant aluminum, it combines strength with portability, supporting up to 330 lbs. Its foldable design allows for compact storage and effortless handling, while the non-slip surface ensures secure footing in all marine conditions. Perfect for leisure craft and sailing vessels, the MG24 reflects German engineering excellence, delivering reliability, safety, and convenience for long-term use at sea.*
