DESCRIPTION

The Threshold Ramp TR157 is a premium accessibility solution engineered for tackling elevated obstacles with ease. Its variable height adjustment system, ranging from 2" to 7.9" (5 cm to 20 cm) in fine 1 mm increments, offers unmatched precision and adaptability for thresholds, pipes, cables, and other barriers. Three included extension sets allow for versatile configurations, while the anodized aluminum construction ensures strength, rust resistance, and long-term durability. With no assembly required, this ramp provides instant usability, effortless removal, and a non-slip surface for maximum safety. Certified to EN-131 and CE standards, the TR157 is ideal for wheelchairs, scooters, wheelbarrows, and cargo handling.
